German Offshore Equipment Directory

An initiative of  **VDMA** in cooperation with

Marine Equipment
and Systems

Alexandra Dreyer
 VDMA – Machinery and Equipment Manufacturers Association
 Marine Equipment and Systems
vdma.org/marine-equipment-systems

This directory presents the full range of German companies offering equipment and services for the global offshore markets. German offshore solutions are among the world's leading technologies and will provide customized sustainable solutions. Please check for more detailed information on companies or products the

relevant websites or in online directories (e.g. www.vdma-marine-equipment.eu or www.marine-technology.eu).

The respective industrial associations in Germany will gladly provide information and support for firms wanting to contact specific German offshore technology suppliers.
